### Comments:

- G. H.** --The people involved in the construction of NB I75 segment 2 should be commended for that successful mega infrastructure replacement. Hope the mild weather continues this winter and provides continuing construction opportunities.
- Chris M.** -- You all did a great job though some trying times these last many months...I drove downtown a few times and traffic was never horrendous, so great job!
- Jason W.**--- Amazing job and can't wait for next year (no sarcasm)
- Gary H.** – Great job everyone who was involved! Merry Christmas
- Nikki S.** – It's a Christmas miracle
- Angela T.**--- Woohoo! (in response to Rochester Opening)
- Jessica M.**--- This is better than Christmas morning
- Loren S.**--- Hurray! I'm glad the weather warmed up for the crews
- Kim G.**--- Despite the delay, I've been very impressed with the progress so far
- Sandie Y.**--- Thanks for the update. Stay safe and warm
